SUGPIAQ is an EXCLUSIVE Agent, Importer, & Distributor of USA products into Asian. SUGPIAQ specializes In first of its kind, unique, & innovative quality foods.

- Commodities for secondary and tertiary producers.
- Food-Ready Products for fast casual, restaurants, bars, events & kiosks.
- Retail Ready Products for grocery, convenience, and retail stores.

## Objective

Sugpiaq has full authority over its products in Asia. We can form agreements, assign regional rights, licensing, and partnerships if needed. Sugpiaq seeks In-Country sales agents, importers and/or distributors who have established sales channels or contacts in the frozen food category, restaurants, hotels & bars, and/or retail channels.

**Product #1 -  
Jumbo Stuffed Tater Kegs  
(Food Ready Product + \* Retail Ready)**

Tater Kegs are a mini-shredded potato tater packed with robust ingredients.

Tater Kegs is 3x the size of your average tater, so these taters are not bite size bits but a mouthful of crispy, savory, flavor.

The Tater Keg of choice by the Chef is CRAB FEAST: real shredded potato, crab and surimi mixed with cheddar and shredded Parmesan, a tater unlike any other.

Tater Kegs has 8 different flavors and they are whatever you need them to be. A full meal, an appetizer, brunch, a Bloody Mary garnish - the potential is huge.

1. Bacon Cheddar + Chive
2. Bacon Jalapeno Popper
3. Breakfast
4. Buffalo Chicken
5. Cheddar Chive
6. Chorizo Burrito
7. Crab Feast
8. The Rueben

## Product #2 – Chocolate Covered Raspberries

The chocolate-dipped raspberries.

It's a product that has created a new category within the sweet world.

It is a snack, it is a fruit, it is a chocolate, and it is frozen. We believe that it competes with ice creams and desserts because of the way it is displayed, but we also maintain that it is a product to consume wherever and however you want.

Two flavors-

White chocolate dip plus Milk chocolate dip

White chocolate dip plus Dark chocolate dip

## Product #3 - US Beef (Secondary & Tertiary)

Breeds : Angus, Hereford, Limosusin.

Grain and Grass fed

Primal cuts and portions

Wagyu, Prime, choice and select grade

## Product #4 – Lobster

- Live
- Frozen

We select only the strongest lobsters, with the highest protein level for our live market. They are handled with great care, every step of the way in order to minimize stress levels.
